Conklin is a 6-foot-3, 210-pound wide receiver from Ohio State University. She is a five-star recruit and was the No. 1 wide receiver in the country coming out of high school. Conklin has been a standout player for the Buckeyes since her freshman year. She has set numerous school records and has been named to multiple All-American teams.

Conklin is a physical specimen. She has the size and strength to outmuscle defenders, and she has the speed and agility to get open. She is also a

very good jumper and has a large catch radius. Conklin is a complete wide receiver who can do it all.

Conklin is also a very intelligent player. She has a high football IQ and understands the game very well. She is a very good route runner and knows how to get open. Conklin is also a very coachable player and is always willing to learn.

Wendy Conklin is the complete package. She has all the physical tools and the mental makeup to be a successful wide receiver at the next level. She is a surefire first-round pick in the upcoming NFL Draft and is expected to be one of the best wide receivers in the league for years to come.

What Makes Wendy Conklin So Special?

There are several things that make Wendy Conklin so special as a wide receiver.

- **Size:** Conklin is 6-foot-3, 210 pounds, which gives her a significant size advantage over most defensive backs. She is able to use her size to outmuscle defenders and win jump balls.
- **Speed:** Conklin is also very fast. She has been clocked running a 4.4-second 40-yard dash. Her speed allows her to get open deep and create big plays.
- **Strength:** Conklin is a very strong player. She is able to break tackles and run through defenders. Her strength also helps her to block.
- **Agility:** Conklin is very agile for her size. She is able to change direction quickly and make sharp cuts. Her agility makes her difficult to cover.

- **Hands:** Conklin has excellent hands. She is able to catch the ball in traffic and make difficult catches. Her hands make her a reliable target.
- **Route running:** Conklin is a very good route runner. She knows how to get open and create separation from defenders. Her route running makes her a threat to score every time she touches the ball.
- **Football IQ:** Conklin is a very intelligent player. She has a high football IQ and understands the game very well. She is a very good route runner and knows how to get open. Conklin is also a very coachable player and is always willing to learn.

Wendy Conklin is a complete wide receiver who has all the tools to be successful at the next level. She is a surefire first-round pick in the upcoming NFL Draft and is expected to be one of the best wide receivers in the league for years to come.
