

# Defending the Three-Point Shot: The Ultimate Guide to Stopping the NBA's Most Devastating Weapon

The three-point shot has become the most devastating weapon in the NBA today. It's a high-percentage shot that can be taken from anywhere on the court, and it's helping teams win games. But there are ways to defend the three-point shot, and Kevin Sivils' book, *Defending the Three-Point Shot*, is the ultimate guide to ng just that.

Sivils, a former NBA assistant coach, has spent years studying the three-point shot and developing strategies for defending it. In his book, he shares his insights on the following topics:

- The evolution of the three-point shot
- The different types of three-point shots

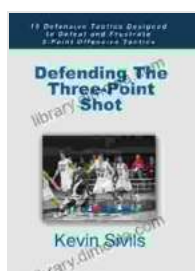

- The best way to guard different types of three-point shooters
- How to close out on shooters
- How to contest shots
- How to rebound after three-point shots

Defending the Three-Point Shot is an essential read for any basketball coach, player, or fan who wants to learn how to defend the three-point shot. Sivils provides clear, concise instructions on how to put these strategies into practice, and he backs up his advice with real-world examples from the NBA.

If you're serious about stopping the three-point shot, then you need to read Defending the Three-Point Shot. It's the most comprehensive guide to the subject available, and it will give you the tools you need to shut down the NBA's most devastating weapon.
