The Stan's Cafe Approach

Stan's Cafe Theatre Makers have revolutionized devising theatre with their innovative and collaborative approach. They believe that theatre should be a collective endeavor, where the ideas and perspectives of all participants are valued and nurtured.

Their work is characterized by a deep commitment to exploring contemporary issues, challenging societal norms, and fostering audience engagement. They create thought-provoking and highly physical productions that push the boundaries of conventional theatre.

Key Principles of Devising Theatre with Stan's Cafe

- **Collaboration:** Devising theatre is a collaborative process, where all members of the company contribute to the creation of the work.
- **Improvisation:** Improvisation is a crucial tool for devising theatre. It allows performers to experiment with ideas, explore characters, and generate material spontaneously.
- **Experimentation:** Devising theatre is all about taking risks and experimenting with different forms, styles, and techniques.
- **Reflection:** Regular reflection is essential for the devising process. Taking time to discuss and evaluate your work allows you to refine your ideas and make informed decisions.

Practical Techniques for Devising Theatre

Stan's Cafe Theatre Makers employ a diverse range of techniques to facilitate the devising process. Here are a few of their most popular:

1. **Ensemble Building:** The devising process begins with ensemble building, creating a strong foundation of trust, respect, and

communication within the company.

2. **Warm-ups:** Physical and vocal warm-ups prepare the performers for the rigors of devising and enhance their creativity.
3. **Improvisation Games:** Improvisation games provide a playful and non-judgmental space for performers to explore ideas and develop characters.
4. **Storytelling Exercises:** Storytelling exercises help performers to develop their narrative skills and create compelling storylines.
5. **Movement and Physicality:** Movement and physicality are integral to devising theatre, allowing performers to express emotions and ideas through their bodies.
