Don't Try This at Home is a fun and educational book for kids that explores the wonders and dangers of science. With rhyming text and colorful illustrations, this book teaches kids about the importance of following instructions and being careful when experimenting.

The book follows the adventures of two kids, Max and Mia, who love to experiment. But one day, they decide to try an experiment that they're not supposed to do. And that's when things start to go wrong.

Max and Mia's experiment creates a giant mess and almost destroys their house. But they learn a valuable lesson about the importance of following

instructions and being careful when experimenting.

Don't Try This at Home is a great book for kids who love science. It's also a great book for parents who want to teach their kids about the importance of safety.

**Here are some of the things that kids will learn from Don't Try This at Home:**

- The importance of following instructions
- The dangers of experimenting without adult supervision
- The importance of being careful when working with chemicals
- The importance of cleaning up after themselves
- The importance of having fun and being creative

Don't Try This at Home is a fun and educational book that teaches kids about the wonders and dangers of science. It's a great book for kids who love science and for parents who want to teach their kids about the importance of safety.
