Synopsis

In the vast expanse of the cosmos, where the stars shimmer like celestial fireflies and the mysteries of the universe lie hidden, there exists a group of extraordinary beings known as the Galaxy Travelers. Hailing from distant worlds and diverse civilizations, they have united under a common banner of exploration, seeking to unravel the secrets of space and time.

Galaxy Travelers Vol1 Primal Origins embarks on an epic journey that delves into the very origins of the universe. Our intrepid explorers venture into uncharted territories, encountering ancient civilizations, enigmatic extraterrestrial beings, and mind-boggling cosmic phenomena.

As they navigate the labyrinthine corridors of space, the Galaxy Travelers confront their own inner demons and grapple with the profound questions of existence. What is the nature of reality? Where do we come from? And what is the ultimate destiny of humanity?

Meet the Galaxy Travelers

The Galaxy Travelers are a diverse and enigmatic group of individuals, each with their own unique skills, perspectives, and motivations.
