Our team of experienced educators has meticulously crafted this guide to cater to all learning styles, providing a rich tapestry of instructional methods that cater to visual, auditory, and kinesthetic learners alike. Interactive diagrams, engaging videos, and thought-provoking exercises intertwine to

create an unforgettable learning experience that will leave a lasting impression long after the exam is over.

Unveiling the Secrets of Exam Success: A Comprehensive Roadmap to Regents Triumph

Leave no stone unturned in your Regents preparation with our comprehensive guide. We delve into every nook and cranny of the Living Environment curriculum, providing a thorough review of all essential topics, from the fundamental principles of ecology to the intricacies of human biology.

Our expert analysis of past Regents exams reveals the most frequently tested concepts, empowering you to focus your studies where it matters most. Practice questions, modeled after the actual exam, provide invaluable opportunities to test your understanding and identify areas for improvement.

Why Do I Need To Prep for the Regents?

The NYS Scholarship for academic excellence awards 8,000 students who graduate from a NYS High School with honors (90+) on the Regents Exams \$2,000- \$6,000 in scholarship money. See www.hesc.ny.gov for more information.

An Advanced Regents Diploma is an honor and added credential. Many colleges and universities, especially in New York, give admissions preferences to students with an Advanced Regents Diploma.

Also, for students to avoid taking remediation or prerequisite (aka: useless) courses in most New York City CUNY colleges, they need to get a 75 or higher on the all of the math regents. Taking high school math while in college is a tremendous waste of time and money.

Furthermore, most College Now programs require at least an 80 on each of the math regents. See www.CollegeNow.cuny.edu for more information. You can take College Now courses starting 10th grade and they are free for any NYC public school students and award transferable college credit.

A student who earns an average score of 90 or higher (without rounding) on required exams is eligible for a Regents Diploma with Honors or a Regents Diploma with Advanced Designation with Honors.

A student who earns scores of 85 or higher on all the required mathematics Regents Examinations is eligible for an annotation on their diploma that states that the student has mastery in mathematics.

A student who earns scores of 85 or higher on at least three science Regents Examinations is eligible for an annotation on their diploma that states that the student has mastery in science.

Sure, you can try to self-study at home, but you are taking a risk, and it is much more likely you will study at Kweller Prep, a structured learning environment with outstanding instructors, loads of practice material, snacks, and refreshments.

Engage Your Senses: A Multisensory Learning Experience that Sticks

Learning should be an immersive, multisensory experience that engages all your senses. Our guide goes beyond traditional textbooks, incorporating a variety of interactive elements to make learning fun and unforgettable.

Vivid animations bring complex biological processes to life, while interactive simulations allow you to explore concepts in a hands-on way. Short, engaging videos break down complex topics into bite-sized chunks, ensuring that every concept is crystal clear.

Proven Results: A Legacy of Success Stories

Our guide has helped countless students achieve their Regents dreams. Testimonials from past students attest to its effectiveness, highlighting the clarity, comprehensiveness, and engaging nature of our approach.

Students who have used our guide have consistently reported significant improvements in their understanding of the Living Environment curriculum. They have gained confidence in their ability to tackle challenging exam questions and have ultimately achieved success on the Regents exam.
