The Ill-Fated Voyage

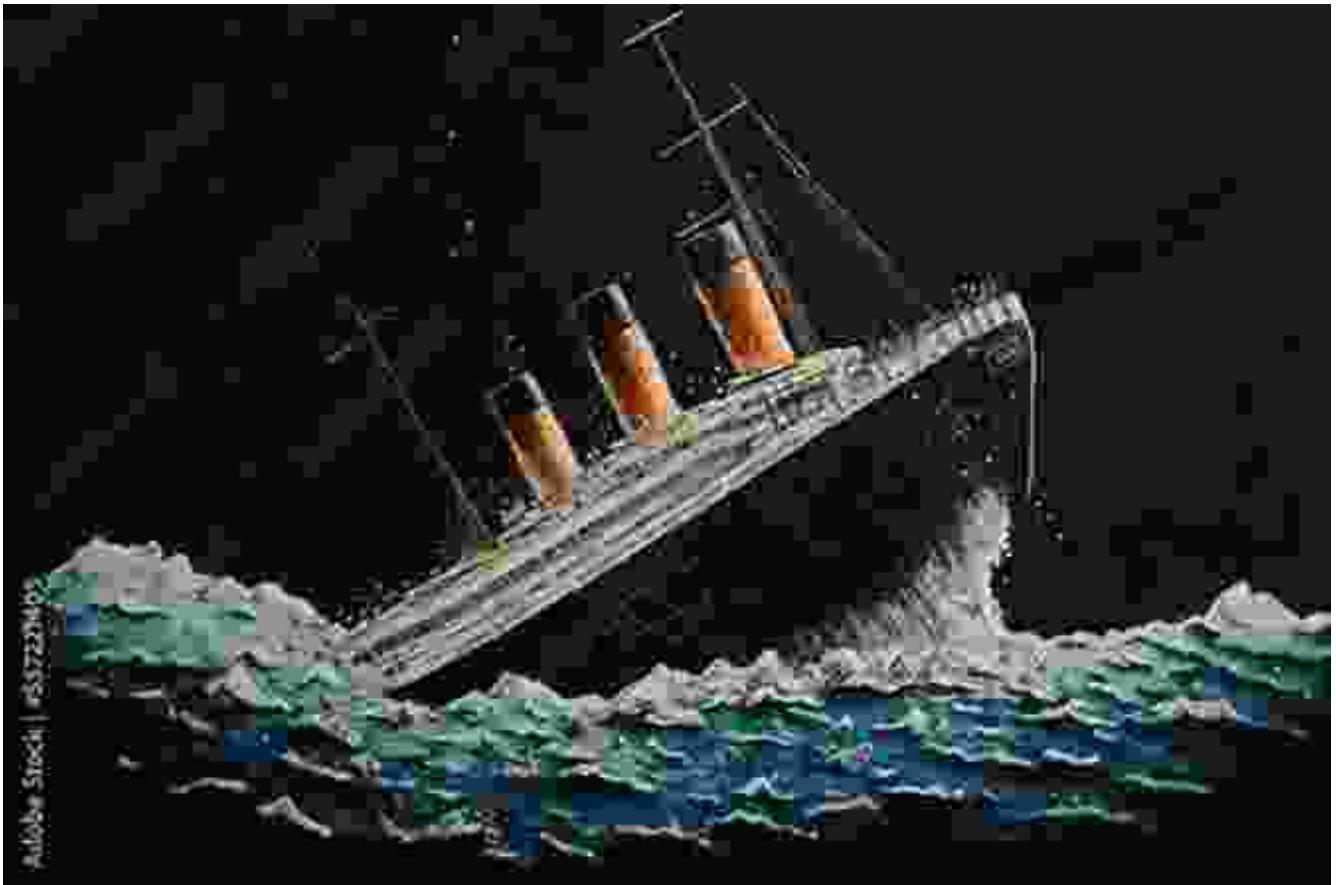

As the Titanic embarks on its maiden voyage, the Chinese passengers navigate the challenges of prejudice and discrimination. They face the harsh reality of being relegated to second-class accommodations and enduring the cruel taunts of some of the upper-class passengers.

However, they also find solace and strength in their shared heritage and unyielding determination. Valora learns to embrace her newfound freedom while Chang's inventions offer a glimmer of hope in the face of adversity.

Fateful Night

Everything changes when the Titanic collides with an iceberg. Chaos ensues as the ship begins to sink. The Chinese passengers are thrown into

a desperate fight for survival, their resilience and courage tested to the limit.

Unveiling Hidden Stories

"Luck of the Titanic" not only recounts the tragic events of that night but also sheds light on the often-forgotten stories of Chinese passengers. Lee's meticulous research brings to life their experiences, their hopes, and their dreams.

The novel challenges prevailing narratives and brings forefront the stories of individuals who have been marginalized in historical accounts. It serves as a powerful reminder of the resilience of the human spirit and the importance of recognizing the diversity of those affected by historical events.

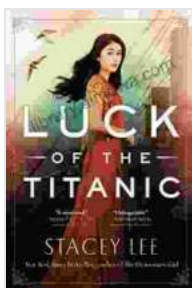

An Unforgettable Reading Experience

With its vivid prose, compelling characters, and thought-provoking themes, "Luck of the Titanic" is an unforgettable reading experience. It transports readers to a bygone era, offering a profound and emotional insight into the lives of those who perished and survived that fateful night.
