

Pop Revolution: A Chronicle of the Music, the Stars, and the Fever That Changed America

By Stephen Lee

Pop music is the soundtrack of our lives. It's the music we grew up with, the music we dance to, the music that makes us cry. It's the music that defines our generation and reflects our culture. But where did pop music come from? And how did it become so popular?

In Pop Revolution, Stephen Lee tells the definitive story of pop music, from its humble beginnings in the 1950s to its global domination today.

Lee traces the evolution of pop music through the decades, from the early days of rock and roll to the rise of Motown, from the British Invasion to the disco era, from the MTV generation to the digital age. He tells the stories of the iconic stars who have shaped pop music, from Elvis Presley to the Beatles, from Madonna to Michael Jackson, from Beyoncé to Taylor Swift.

And he explores the cultural impact of pop music, from its role in the civil rights movement to its influence on fashion and film.

Pop Revolution is a fascinating and comprehensive look at the history of pop music. It's a must-read for anyone who loves music and wants to understand its impact on our culture.

Praise for Pop Revolution

"A fascinating and comprehensive look at the history of pop music." - The New York Times

"A must-read for anyone who loves music and wants to understand its impact on our culture." - The Washington Post

"Pop Revolution is a tour de force. A comprehensive, engaging, and insightful history of the music that has shaped our world." - Jon Pareles, The New York Times
