A New Life

Emma was born on a small farm in California. She was the runt of the litter, and her mother rejected her. The farmer was going to kill Emma, but Apricot Lane Farms, a nearby animal sanctuary, stepped in to save her.

John and Molly Chester, the founders of Apricot Lane Farms, took Emma home and bottle-fed her. They named her Emma after their daughter, who had recently passed away. Emma quickly became a part of the Chester family, and she loved to play with the other animals on the farm.

A Difficult Journey

But Emma's journey was not without its challenges. She was diagnosed with a heart condition, and she had to have surgery. The surgery was successful, but Emma's heart condition would always be a concern.

Despite her health challenges, Emma was a happy and playful pig. She loved to eat, play, and cuddle with the other animals on the farm. She was also a favorite of the visitors to Apricot Lane Farms.

A Love that Knows No Bounds

The Chesters' love for Emma was evident in everything they did for her. They gave her the best possible care, and they always made sure that she was happy and comfortable.

Emma's story is a heartwarming tale of love, compassion, and determination. It is a story that will inspire readers of all ages.

Saving Emma the Pig

Saving Emma the Pig is a book written by John and Molly Chester. The book tells the story of Emma's journey from being a rejected piglet to a

beloved member of the Apricot Lane Farms family.

The book is a beautifully written and illustrated story that will appeal to readers of all ages. It is a story about the power of love and the importance of never giving up on those we care about.

About the Authors

John and Molly Chester are the founders of Apricot Lane Farms, a non-profit animal sanctuary in California. They have rescued over 400 animals, including pigs, cows, horses, sheep, goats, chickens, and rabbits.

The Chesters are passionate about animal welfare, and they believe that all animals deserve to be treated with compassion and respect.
