Meet Dr. Emily Carter, a brilliant forensic psychologist with a knack for delving into the darkest recesses of the human mind. When her best friend, Sarah, is found dead under mysterious circumstances, Emily is drawn into a dangerous game of cat and mouse.

As Emily investigates, she uncovers a hidden world of secrets, lies, and twisted motives. The suspects who emerge are a cast of complex and enigmatic characters, each with their own motives and hidden agendas.

Alex, Sarah's charming but secretive lover, becomes a prime target for Emily's investigation. His enigmatic past and suspicious behavior raise questions about his true intentions.

Detective James, the ambitious and cunning investigator assigned to the case, seems determined to close it quickly, even if it means overlooking crucial evidence. Emily suspects that his motives may not be as pure as he claims.

As Emily delves deeper into the investigation, she realizes that the truth is far more complex than she initially imagined. The line between suspect and

victim blurs, and Emily herself becomes a target of danger.

With each page, *Shifting Under Your Feet* takes you on a twisting and turning journey through the dark side of human nature. The characters are masterfully crafted, their motives and secrets revealed gradually, keeping you guessing until the very end.

As the body count rises and the stakes get higher, Emily must confront her own demons and grapple with the psychological fallout of the investigation. *Shifting Under Your Feet* is a gripping psychological thriller that will leave you breathless and questioning everything you thought you knew.

Lee Ragans' masterful storytelling will take you on a wild ride that will keep you on the edge of your seat. Get ready to lose yourself in the world of *Shifting Under Your Feet*, a novel that will haunt you long after you finish reading the final page.
