In the tapestry of life, we make promises that bind us to others and shape our destinies. But what happens when a promise threatens to suffocate our happiness? What happens when the emotions that surge within us demand to be set free?

In her latest novel, *Some Promises Are Too Precious To Break But Some Emotions Are Just Too Strong*, award-winning author Sarah Morgan delves into the intricate web of love, loss, and forgiveness that can both uplift and shatter our hearts.

The story centers around two unforgettable characters: Emily, a woman who has spent years honoring a promise she made to her dying husband,

and Ethan, a man who has never stopped yearning for the woman he loved and lost.

Emily and Ethan's paths cross again after a decade, and the sparks that once ignited between them still burn bright. But Emily is torn between her loyalty to her husband's memory and her longing for a future with Ethan. Ethan, too, is wrestling with his own demons, haunted by the guilt of leaving Emily all those years ago.

As Emily and Ethan navigate the complexities of their past and present, they discover that some promises are too precious to break, but some emotions are just too strong to deny. Their journey is one of love, loss, and redemption, a testament to the enduring power of the human heart.

With her signature blend of emotional depth and heartwarming storytelling, Sarah Morgan has crafted a novel that will stay with readers long after they turn the last page. *Some Promises Are Too Precious To Break But Some Emotions Are Just Too Strong* is a poignant and ultimately uplifting tale about the choices we make, the sacrifices we bear, and the love that binds us together.
