Paperback : 76 pages
Item Weight : 2.57 ounces
Dimensions : 5.83 x 0.18 x 8.27 inches

Give your kindergarten-age child the gift of a strong math foundation with DK Workbooks Math Kindergarten Learn and Explore. This comprehensive workbook is packed with engaging activities and vibrant illustrations that will make learning math fun and interactive.

Key Features:

- Covers essential kindergarten math skills, including counting, number recognition, addition, and subtraction
- Features a variety of engaging activities, such as mazes, puzzles, and games
- Includes colorful illustrations and clear instructions to make learning easy and enjoyable
- Perfect for homeschooling, classroom use, or extra practice at home

Benefits:

- Provides a solid foundation for future math success
- Helps children develop essential critical thinking and problem-solving skills

- Encourages children to explore and enjoy math
- Makes learning math fun and engaging

Testimonials:

"This workbook has been a lifesaver for my kindergarten daughter. She loves the colorful pages and the fun activities. I've seen a huge improvement in her math skills since we started using it." - Sarah, parent

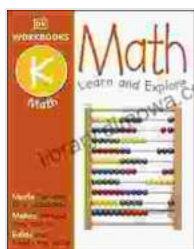

"My students love working on these math worksheets. They're challenging but not too difficult, and they help my students learn in a fun and interactive way." - Mary, kindergarten teacher
